# GENERAL MANAGERS'S UPDATE

Hi Everyone

In the last Park Patter Newsletter, I remember mentioning the snow had been melting fast, and now September's special Fall edition is released. With it as always is the promotion and information sharing of the Spring Bank Park For All Seasons Annual Fall Fair, which this year is being held on Saturday Sept 9th and kicks off with a 9:30 am – 12:00 pm Lions Club Pancake Breakfast. Then starting at 10:00 am the Kids Zone, Agriculture & Horticulture Bench Show, Agricultural Displays (including farm animals), Vendors Market (out in the front parking lot located big Marquee Tent) all get going. In the evening remember the Old Tyme Community Dance is being held again in the dry floor Curling Rink, and it's hosted by the Springbank Community Association.

With September comes the excitement of lots of young hockey players and figure skaters being back out on the ice more regularly, Playschool starts back up again, Springbank Phoenix Football has lots of games scheduled, and the Park's AGM is scheduled for Sept 25th at 6:30 pm (held in the 2nd floor dryland training area meeting space). As you will see on P.7, for this coming September 25, 2023, thru to early September of 2024, we are also looking to possibly fill one Executive Board Secretary (that isn't required to take minutes) position and thinking one Director at large position. If this is something that could be of interest to you and be assured the time commitment is relatively

low with the Park Board having monthly meetings only Sept thru June, and the Board following a governance style model where most contributions happen right at the meetings. Our excellent group would cordially welcome you or someone you think would be a good fit.

During the off-season I had the chance to give a SPFAS facility tour to 8 staff members of Rocky View County who came out to get to know the Park better, and I also did our annual grant applications presentation to the RVC Recreation Governance Committee / members of Council. For both I touched a bit on the Park's interesting history, and I definitely highlighted all the important and fun activities the Park is host too. Here below is some of the mentioned Park's history (that you will see highlighted along our main floor hallway, and we have historic pictures and history information upstairs on the wall by the Board Room as well - overlooking the Red Dutton arena). You should find them to be some interesting reading, and besides the great accomplishments and donations of Mervyn (Red) Dutton, who even though getting injured in the war, still found a way to train his way back to make it into the NHL (as a player, coach, GM & President). Red also went on to run a very successful Standard General Construction business (that built McMahon Stadium). I thought the other story of Matti Robinson (whose family donated the land the Park currently sits on), to be a great community service one; as Matti annually used to bake a 12lb fruit cake, (that's big), and in 1982 the last one she raffled off for \$2200, which she then donated the proceeds back to the Park.

Welcome back !

## MEET THE STAFF

This edition continues introducing our highly valued staff members, and we are pleased for Sept, to be able to introduce our Operations team member Nick Blevins. Nick originally started working at the SPFAS in January of 2020, joining us after a 10-year stint of being a Canadian National Team Rugby player. Through this unique experience Nick got to travel to 23 countries, and competed in the 2015 World Cup in England, and the 2019 World Cup in Japan. Nick played in 64 International games, and this was the most games ever played by an Alberta born player. Nick was born in Edmonton and raised in Calgary. While being put through the sometimes-grueling training and practice schedule, Nick also worked as an apprentice cook, earning credits towards his Red Seal.

You wouldn't have seen Nick last season as he took a parental leave to be with and help take care of his new daughter & 3-year-old son. Nick and his family reside in Calgary and Nick is a Level 1 Arena Operator (soon to be Level 2), and an AARFP certified Park & Sports Fields Technician. This is obviously an area of passion for Nick (says he loves grass), and possibly a result of his rugby playing days. Nick's other passions include definitely spending time with his family and playing lots of Golf. Feel free to say hi to Nick when you see him out and about at the Park.

Nick Blevins

## ANNUAL GENERAL MEETING

The Park's Annual General Meeting is coming up on September 25th at 6:30 pm and will be held in the Park's 2nd Floor Dryland Training area/meeting space. All members are welcome to attend and be part of or just learn more about the governance and operation of the Springbank Park For All Seasons – Agricultural Society.

The Park is governed by a Board of 18 Director positions, including user group representatives, an elected RVC Councillor, and Rocky View Schools, Trustee. There is 5

Director at Large positions and the Executive, which is also made up of 5 positions. Any member of the Society in good standing is eligible to stand for election, as a SPFAS Director at the AGM.

The term of office is one year, and Directors may serve up to 5 consecutive terms if they so desire (before taking a 1-year break). The time commitment is pretty low and sees attendance at 1 monthly Board meeting (usually the 4th Monday and is typically 1 hr. to 1.75 hours in length). Meetings are typically held in Sept thru to June, with July and Aug off.

For this coming September 25, 2023, thru to early September of 2024, we are looking to possibly fill one Executive Board Secretary (that isn't required to take minutes) position and thinking of one Director at large position.

If this is something that could be of interest to you (or someone you think would be good fit and you would like to refer), please let us know (contact [todd.muir@springbankpark.com](mailto:todd.muir@springbankpark.com), or call 403-669-2387).

## COCHRANE RCMP

A student comes home from their first day of school and is asked, "What did you learn today?"

"Not enough," the student replies, "They said I have to go back tomorrow!"

Why did the M&M go to school? Because he really wanted to be a Smartie!

Welcome back everyone from a summer full of fun and excitement. I hope that everyone was able to enjoy some family time, and got outside to enjoy the weather, in between the smoky days.

It is that time of year again, it is hard to believe that we are back in school and back into routine. Parents, care givers are probably excited about the kids getting back to school so that they can have some piece and quiet for a bit!

This time of year, we have to be careful of the students who are getting back to school and may not be paying

attention to vehicles. Students are going to be excited about seeing their old friends and making new friends. As drivers we need to make sure we are being diligent in following the speed in the school zones, using caution around parking lots and following the signals on the buses.

A few gentle reminders for drivers, school zones and playground zones serve an important role in keeping pedestrians safe. The speed limit in school zones is 30km/hr across Alberta. The speed limit saves lives, slower speed equals more time to react, and short stopping distances.

Drivers should also watch around school buses, they are big and have large blind spots and poor manoeuvrability, and most important they are carrying children!

Scanning between parked cars, never making a U-turn near crosswalks, and never stop in a crosswalk.

Driving distraction free is a major factor in keeping the students safe, keeping your eyes on the road, and both hands on the wheel, for ultimate safety.

When a school bus activates its alternating red flashing lights, this means you must come to a stop whether you are approaching an oncoming school bus or following one. The fine for passing a school bus with its red lights flashing is \$567 plus six demerit points.

Let's all work towards making this the best start to the school year ever.

Thank You,

*Cst. Clayton Gelinas*

# NEW LIONS' SOCCER PARK / PICNIC AREA

The SPFAS is happy to announce, that with the continued generous support of the Springbank Lion's Club, and its dedicated community minded volunteers, the area between the Parking Lot and Lagoon at the Springbank Lions

Soccer Park, is going to be turned into a Picnic Area (complete with " a new permanent Washroom Facility, " 10 quality All Weather Picnic Tables, and the addition of the planting of some more trees – which in time will provide shade and increase the ambience).

On behalf of the SPFAS Board of Directors and members, we sincerely

thank the Lion's Club's current and past members for all your time and support, that's continued to help the Springbank Park For All Seasons and the Springbank community as a whole be a great place to visit and live.
